Professional Experience

Principal Pilling+Smith Architects Cambridge, Massachusetts	1993 - present	Architecture, interior design, adaptive reuse and historic rehabilitation, masterplanning and graphic design concentrating on health care, human services, and education. Some work for churches and private residential clients. Projects include Beth Israel Deaconess Medical Center Wayfinding, Dimock Community Health Center Outpatient Services, St. Margaret's Hospital / St. Mary's Women & Infants Center conversion, and New Leaf, Bridge Home and Margaret's House group care residences. Education work includes Neighborhood House Charter School, Dorchester House and Denison House Day Care Centers, Head Start and Early Head Start for Dimock, CAPIC in Chelsea, and CAI in Haverhill.
Principal Strand Associates London, England	1992- 1993	Initiated and coordinated a study for a major aquarium and mixed-use development on an English harborfront redevelopment site. Consultant to an owner's representative in a major rehabilitation of a Grade I listed Regency villa.
Consulting senior architect Koetter, Kim and Associates Int. Ltd. London, England	1989- 1992	Conducted research, conceptual, and schematic designs; prepared guide lines and performance specifications for the proposed Canary Wharf Station of the Jubilee Line Extension. Evaluated original masterplans for Canary Wharf and Heron Quays. Managed urban design studies for updating and changing these masterplans. Edited and published Canary Wharf design guidelines, and wrote new ones for Heron Quays.
Principal August Associates Architects, Inc. Boston, Massachusetts	1982 - 1990	Architectural work included Dimock Community Health Center's new Youth and Family Services building, historic rehabilitation of its laundry building into the Neil Houston House group residence and the Zakrzewska Building for administrative offices. Also single and multifamily residences in New England. Space plan and interior designer for the Apollo Computer headquarters, Epsilon Data Management Inc., and Day Berry & Howard, Esq.. Study designer for the Massachusetts Bay Transportation Authority's graphics and signage project. Implemented first phase. Study designer for the historic rehabilitation of the Edward Hatch Memorial Shell on the Boston Esplanade, as well as for a new headquarters for The Massachusetts State Lottery.
Project manager Cambridge Seven Associates, Inc. Cambridge, Massachusetts	1975 - 1982	Project architect for MBTA Southwest Corridor Orange Line Terminus; Forest Hills Station, an interchange of regional bus and transit, trolley, commuter, and intercity high speed rail lines. Also responsible for the Boston 200 Visitor Center in Boston City Hall. Managed graphics and signage design of the Metropolitan Atlanta Transit Authority, including full scale prototypes and design guidelines. Participated in study of new prototype stations for beltway locations of the North East Corridor high speed rail line in Boston, New York City, and Washington DC. Prepared the masterplan for Massachusetts Bay Community College, and participated study for Interama, a proposed amusement park on Biscayne Bay in Miami.
Master planner TSG International Inc. Memphis, Tennessee	1972 - 1975	Prepared site plans and masterplans for 16 multifamily residential developments in the southeastern and southwestern United States. Supervised and facilitated approvals of the plans by the local authorities.
